

PUBLIC HEARING

Questions from October 19th, 2017

Total of 12 Questions

- 1. John Ezzy-** Why was this town meeting scheduled for November 14th when the stipulation in the judgment set aside the vote for June 12th said that the new vote shall take place 30 days of this order unless the petition is withdrawn. Now that tells me from August 18 plus 30 days means September 18 or 19....
- 2. John Ezzy-** The suit that was brought about the Ouellette's went through a mediation conference, which determined that certain items could be done. The town had obligations to repair the road and the Ouellette's had obligations to deliver a deed and I'm under the understanding from an email that I just received today that the Ouellette's are willing to sign the deed, if the town will repair the road. Why isn't this happening?
- 3. John Ezzy-** According to the statutory discontinuance which states that municipal officers, if a "weight" is discontinued that the municipal officers will have to determine whose property is above the road in question and the amount of damages that will be paid to those "abiders". The damages must be paid to the abiding property owners because of the reduction fair market value property as a result of the loss of the municipally maintained road. Has this been addressed in any of your meetings or will it be addressed at the town meeting?
- 4. Michelle Sirois-** Has the road been abandoned at this point?

5. **Bern Pelletier (directed to Bruce & Calvin Ouellette)**- How can we trust once the town does your work that you're going to pull the petition?
6. **Ann Ezzy**- Bruce Ouellette agrees that he withdraws the petition, if the road is fixed according to what was done at mediation. Why is it not happening?
7. **John Ezzy**- Why does the town not continue grating the road when there is no legal basis for abandoning the maintenance at this point?
8. **Bern Pelletier**- Why is the mediation not complete? What's left of the mediation that you're saying is not over?
9. **John Ezzy**- Should there be a snow storm from now until November 14th will the town remove the snow?
10. **Ann Ezzy**- How much does it cost to grate and plow the road a few times per year?
11. **Bern Pelletier**- If the vote goes no, where is the school bus going to turn around for the children? What about the emergency vehicles?
12. **John Ezzy**- If a person wanted to build on Pelletier Ave, will the town issue a building permit?
